

Cyberbullying

Cyberbullying is a type of bullying Which is in internet

Here is some tips

1. try not to give any personal information to any one
2. Tell your gardians about it
3. Block and report the cyberbully.

These are the information that I know and I can give you to stop cyberbulllys

This is a story of a boy who got cyberbullied (not real)

I hope you liked the video and my project thanks for listening
